7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 ERIK TWEDE, et al.,

11 Plaintiffs,

12 v.

13 UNIVERSITY OF WASHINGTON,

14 Defendant.

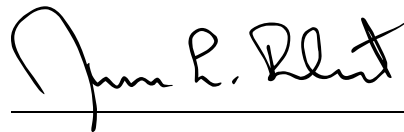

CASE NO. C16-1761JLR

ORDER GRANTING
STIPULATED MOTION TO
EXTEND THE CASE SCHEDULE
FOR 60 DAYS

15 Before the court is the parties' stipulated motion to extend the case schedule and
16 other deadlines for 60 days. (Stip. (Dkt. # 62).) The parties have requested the 60-day
17 extension because they have signed an agreement in principle to settle all claims in this
18 matter, subject to obtaining the approval of those persons with appropriate authority at
19 Defendant University of Washington ("UW"). The court GRANTS the parties' stipulated
20 motion and adopts the schedule set forth therein. (*See id.* at 2-3.) The parties should
21 operate on the assumption that the date for the pretrial conference is July 7, 2018, and the
22 date for trial to commence is July 23, 2018—as the parties tentatively propose in their

1 motion. (*See id.*) However, if the parties fail to finalize their settlement agreement
2 within 60 days, the court will set definite dates for the pretrial conference and trial at that
3 time. If the parties fail to finalize their settlement agreement within 60 days, the court
4 ORDERS the parties to file a joint status report at that time. The court further DIRECTS
5 the Clerk to change the noting dates for: (1) the motion to limit expert testimony (Dkt.
6 # 52) to May 18, 2018, (2) the motion for partial summary judgment (Dkt. # 54) to May
7 25, 2018, and (3) the motion for reconsideration (Dkt. # 57) to April 20, 2018.

8 Dated this 13th day of March, 2018.
